* We might change the arrival day for the Pioneers, Adjara and our new project to a different day because of holidays.

** snowcat supported ski-touring/splitboarding

For the confirmation of a booking a 20% deposit is necessary. From the 1st of October the deposit is 50%.

Until the 30th of June we have an **EarlyPaymentSpecial:**

If the total amount is transferred directly (deposit + remaining payment), we offer a discount of 10% on the remaining payment. We want to reward freeriders who make the preparation for the season possible by paying early (which in turn also benefits those who only pay at short notice). Otherwise the balance is due 30 days before arrival.
